DONATE TO KEEP THEM HAPPY & HEALTHY

We rely on **public donations, private gifts, and grants** to provide care for senior pets in need. Visit our website or scan the QR Code for more information.

There are so many ways to help and they are limited only by our imaginations. **Leashes End is a 501(c)(3) charitable organization.**

Trina and Trudy love R. B.'s Tractor!

WHAT SETS US APART

We take in pets that are considered **unadoptable** due to their **advanced age** and associated **special needs** for life.

Taking in these frail pets **alleviates pressure** on publicly resourced **shelters** and **frees space** for other rescues to focus on adoptable pets.

Our pets are **NOT available for adoption.**

Our senior pets come from **community shelters, rescue groups, and unfortunate circumstances** where they have been **discarded or left behind.** Whatever **condition they are** in when they arrive, we give them the **attention and medical care** needed.

We keep **bonded pets together.**

Our seniors live as **family pets** in our home. All receive **home-cooked meals, sleep on furniture** and beds with caretakers, and have **26 fenced acres** to roam and explore.

Currently on property:

21 dogs

13 cats

OUR MISSION OUR PETS

We provide a **retirement home for senior cats and dogs** where they are safe, loved, and able to live out the remainder of their lives in **comfort and dignity** when their need for care is the greatest.

All pets are **vetted locally** and see specialists in Tallahassee or Gainesville.

Common issues we see:

- Rotten Teeth
- Blindness
- Deafness
- Arthritis
- Incontinence
- Dementia
- Heart/ Kidney Disease
- Diabetes
- Parasites
- Irritating Skin Conditions

Once they arrive at Leashes End, their healing journey begins.
